# LORD'S MARK INDUSTRIES LTD

## INFORMATION PROSPECTUS

# WELCOME ABOARD TO LORD’S EXPRESS

Lord’s Mark Industries Ltd. is a story of vision, perseverance, and growth. Founded in 1998, the company has evolved from a modest beginning into a diversified enterprise that today represents trust, innovation, and resilience. What started as a single-track journey has now become a powerful engine driving progress across industries and communities.

Over the years, Lords Mark has aligned itself with India’s growth narrative, embracing the call of Atmanirbhar Bharat and creating solutions that are proudly **“Made in India.” Guided by the ethos of “Hamesha Aapke Saath” the company has consistently delivered value that extends beyond business—touching lives, enabling industries, and contributing to national development.**

Our journey has been marked by a relentless pursuit of excellence. From expanding manufacturing capabilities to building research-driven partnerships, Lords Mark has invested in both scale and innovation. Each milestone reflects our belief that sustainable growth comes from creating an impact that endures.

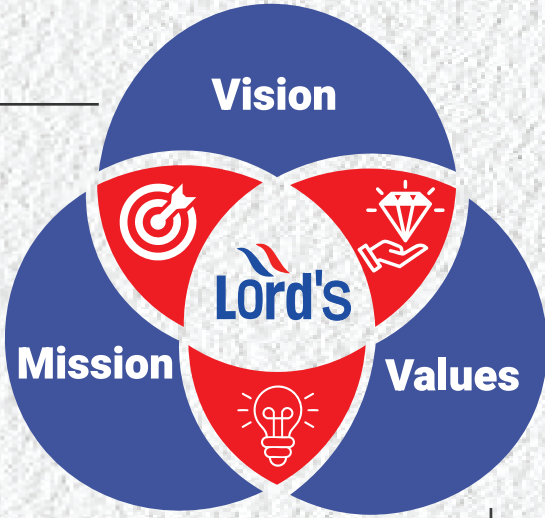

As we continue to grow, our focus remains on building a future-ready organization. By harnessing new technologies, strengthening our global footprint, and diversifying into high-potential sectors, we are laying strong foundations for long-term value creation.

**Lord’s Express is not just a metaphor for our journey—it is our philosophy. It represents speed with direction, resilience with purpose, and progress with inclusivity. Every shareholder, employee, customer, and partner is an integral companion on this journey, moving together toward shared success.**

Looking ahead, Lords Mark is committed to scaling new horizons with the same spirit that has defined our past. We see immense opportunity in Diagnostics, MedTech, Energy Sustainability, and other New Age technologies. With innovation as our fuel and trust as our track, we are prepared to **accelerate into the future with confidence.**

Lords Mark Industries is more than a company—it is a movement of progress, a commitment to people, and a legacy in the making. Together, we are not just building businesses; we are building a future that is purposeful, inclusive, and enduring.

- Delivering value to all stakeholders and partners by creating sustainable Businesses to become globally recognized brand in diversified Industries
- To be recognized as one of the fastest growing business conglomerate through quality products, innovative approach, & unbreakable trust
- Seize Opportunities  
Foster Growth Mindset  
Execute with Agility  
Champion Innovation and Collaboration

# MESSAGE *From* MANAGING DIRECTOR

**SACHIDANAND UPADHYAY**  
MD & CEO  
LORDS MARK INDUSTRIES LTD.

## DEAR *Shareholders*

Welcome aboard the Lord’s Express, **a journey of innovation, resilience, and growth.**

For 27 years, Lord’s Mark Industries Limited has been building a strong foundation brick by brick, guided by our commitment to sustainability, innovation, and value creation. Today, as we stand at the threshold of a new chapter, I want to take a moment to thank you sincerely for being part of this journey. Your trust and belief in us are the fuel that powers the Lord’s Express forward.

Just as every great express train accelerates after crossing key milestones, **our journey too is entering a far more exciting phase.** With the recent **NCLT order paving the way for our BSE listing**, we are poised to bring even greater visibility, governance, and long-term value creation for all our shareholders.

The road ahead is filled with promise. Our **Made-in-India AI based Dialysis Machine (Renalyx)**, cutting-edge **Genome testing, New-age MedTech Devices**, and strategic OEM partnership with **German Technology in Solar inverter manufacturing**, represent only the beginning of the innovations we are driving. With a strong focus on **Diagnostics, MedTech, and Energy Sustainability**, we are not just building businesses. we are building solutions that impact lives, communities, and the environment.

**Like every express, the ride may have its turns and climbs, but those who stay aboard for the full journey reap the richest rewards.** I encourage you to stay invested, stay committed, and continue to be part of this movement. The long-term benefits of this ride will be remarkable, not only for you as our shareholders but also for society at large.

On behalf of the entire Lord’s Mark family, I thank you once again for your trust and partnership. Let us continue this journey together, because the Lord’s Express is only getting faster, stronger, and more impactful with new innovations.

GROWTH ENGINES: BUSINESS UNITS

**DIAGNOSTIC & MEDTECH:** We are changing public healthcare infrastructure & saving many lives with our Diagnostic & MedTech initiatives. We exist to bring trusted, high-quality diagnostic within everyone’s reach, backed by innovation, care, and a purpose-driven approach. Our four core verticals ensure we serve every need with precision, empathy, and trust. **LordsMed** under diagnostic vertical has more than 50 registered products including 1st in India AI based sickle cell rapid test, Shape DxTM, AI powered made in India Renalux dialysis machine.

We aim to move towards good health and wellbeing for all, keeping Sustainable Development Goal (SDG -3) of United Nation in mind.

LORD'S MARK MANUFACTURING SHOWCASE

**Plant 1: IVD Manufacturing, Biochemistry Instruments**  
LOCATION: VASAI, MAHARASHTRA

Plant Size: 25,000 sq ft  
Product type:  
Rapid Test- 30 lac test per month  
Biochemistry test- 50 lac test per month  
Diagnostic instruments- 200 machines per month

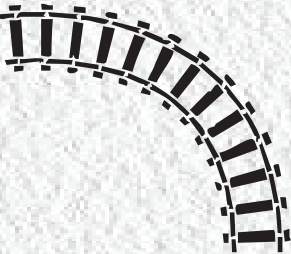

**Plant 2: Surgical & Ortho Rehab**  
LOCATION: SILVASSA, DND

Plant Size: 25,000 sq ft  
Product type:  
Crepe Bandage - 1 lac per month  
EAB- 25,000 per month  
Wet Wipes - 3 lac per month  
Orthopaedic Products - 50,000 per month

**Plant 3: Medtech Devices, Oncology Kit, Elisa Kit**  
LOCATION: VASAI, PLANT

Plant Size: 25,000 Sq Ft  
Product Type:  
Dialysis Machine, Elisa Test Kit, CLIA Instruments, Reagents
