KASHMIRI ROOFTOP ROMANCE

butter washed bourbon, peanut brittle, apple soda

On the rooftop they sit, eat peanut brittle, and gaze towards the other rooftops, where young romance blossoms, smiles flirt with each other, & souls intermingle. As eyes lock in, snacks are shared and bread is broken, all while having the fear of getting caught! With rosy cheeks of the couples, like the apples grown in Kashmir, this concoction embodies the spirit of romance in the valley!

LAST ROW IN THE CINEMA HALL

vodka, popcorn, passionfruit, espresso foam

Rewind to high school, your first love, your first date together, at the last row in the cinemahall, where you didn't go to watch the film on the screen, but to watch the film rolling in each other's eyes! It was about shyly holding hands, eating popcorn, drinking coffee during the interval and playing thumb fight to get your fingers interlocked! We only added the passionfruit as an homage to your passion for the game of thumb fighting and hand-holding!

FRENCH KISSING AT THE LOUVRE

scotch, verjus, chilled h2o

Sweet like a French Kiss on plum, succulent, cherry like lips!

Just be very careful, because there is a hefty fine for public affection in the city of love. Here rules are meant to be broken and there is good news for you! The fines can be avoided, only if you have the passport of affection! Look out for it.

Bonne Chasse!

Sweet, sophisticated, & sexy just like that French artist
you've been eyeing up!

DATE NIGHT PERFUME

gin, kaffir lime, pink rose, kewra, orange blossom, tonic

The most essential part of Date Night is the perfume you wear, and to the men reading this please don't wear the usual Sauvage!

But in case you forget to wear any perfume, Date Night Perfume is here to save you. It not only fills the room like a bouquet of roses, but dances on your palate, lingers on your tastebuds, waters your mouth, leaving you craving for more!

MINI BAR AT A LOVE HOTEL

vodka, hazelnut liqueur, cherry, acids

Late night at a neon lit love hotel in the streets of Osaka, Japan, where lust disguised as love hits as sharp as the crispness of this drink. Drunk & high, craving for more, gasping for breath, you hit the mini bar, drink the lightly chilled vodka along with the expensive trail mix full of nuts, cherries, and berries, that you'll regret opening the next morning.

THE
MORNING
AFTER

**gin, cherry tomatoes dry vermouth,
worcestershire, olives**

The sheets smell like perfume, gin, and regret. You look to your side to find your significant other only draped in crisp linen bedsheets, and suddenly there is shame but also comfort. It is the morning after your first night; you throw on some clothes, put on your shades, and together hit the poolside morning breakfast that nobody would dare to miss.

देसी KINKS

tequila, vodka, curry leaves, mango, seasalt

It is suave, sexy, sultry, seductive, sensational, savvy, sassy, and unapologetically desi! It is not afraid of showing its true colors and identity! But it's full of secrets that unravel in layers; as you get closer and deeper you discover more. You discover submissiveness beneath boldness, and more fetishes & kinks as you sniff through. It is like an oxymoron! Topping in the spreadsheets and bottoming in the bedsheets.

MAYFAIR

tequila, earl grey, orange blossom, agave, tonic

Behind the sophistication of layered tuxedos, vest jackets, chinos and quarter zippies of gallerists, hoteliers, and affluent members of the financial world lies another world that opens up a little late into the night when the honchos of the city are done with the drinks! The Brits known for sophistication & royalty love their tea, but they love their tequila more by the night! We understood that gap in the market and created a Tea-quila!

SLOW SEDUCTION AT 2AM

gin, masala chai, cardamom, cinnamon, star anise, honey, tonic

Making chai is just like a slow teasing orgasm, you tease your way through to get the perfect brew! As it is about to erupt out of the vessel, you lower down the flame and repeat your way through it, to extract maximum flavour. Chai is also best enjoyed with your 2AM partner where the two of you can spill the tea with lots of masala added!

Spill the tea with this spiked tea!
